Award Program(s) and Rules

All safe hour recording commenced January 1, 2008

Employees are only able to claim one tier at a time (i.e. no amassing of 500 hr card and 1000 hr card for a 1500 hour reward item). Once an employee has obtained this safety milestone (i.e. 500 hours), they are issued a card, they chose their item, advise Billboard Direct and the item is held for pickup by the employee or in the event of the employee being on Leave of Absence or not actively working in the area - the item may be sent to their address of record (mailed with Freight/Postage COD). The recognition card is then "cancelled" by Billboard Direct.

Billboard Direct Promotional Services Inc. - contact information:

8233 Manning Ave., Fort McMurray, AB T9H 1V8 Phone: 780.790.1123

Email redemption requests to: CorpAwards@GoloskyGroup.com

NOTE: Cards may ONLY be redeemed within the maximum time-line of ninety (90) days from their date of issue.

- If an employee has reached a safety milestone (ie. 1000 hours), have claimed their item and then in the conduct of their work have obtained an accumulative 1260 hours and experiences an incident and/or injury, they will then "reset" to the 1000 hour mark and commence amassing safe work hours again.

SAFE AND PRODUCTIVE WORK PERFORMANCE

All employees, who possess/demonstrate safe work activities / hours and are corrective action free (i.e. discipline/warnings, quit/fired, etc.) will have their name entered into the following "draw". If the employee has experienced incidents and/or corrective actions, they will be exempt from partaking in the draws "time window" (i.e. Jan/Feb). Should they have safe work performance, without corrective actions in Mar/April, they will be entered into the draws. All awards are transferrable with appropriate notice. Further details are available by contacting your Site Safety Personnel or Site Manager.
